10	Admin Profile	Typically no direct access, may see principal name/contact shown read-only.

11	Developer Profile	No access.
12	Virtual ID (QR / Face)	View student's Virtual ID (QR/Face) used for attendance or campus access.
13	Profile Edit	Student/parent edits own allowed fields (address, phone, photo, etc.).
14	Role List	View own role only (e.g., "Student", "Parent") if exposed.
15	Assign Role	No access.
16	Permission Matrix	No access.
17	Role Change History	No access.
18	Privacy Settings	Configure their own privacy options (visibility, sharing, communications).
19	Biometric Consent	Accept or revoke consent for using student biometrics (face/QR, etc.).
20	Data Download Request	Request download of their own/student's data where allowed by policy.
21	Student Attendance Dashboard	View student's attendance dashboard with calendar and charts.
22	Class Attendance Dashboard	View summary of student's class attendance overview (read-only).
23	Attendance Detail per Student	View detailed daily attendance for the student.
24	Face Enrollment	Follow guided steps to enroll face (if

		allowed through app) or see status.
25	Flagged Attendance List	See if student has flagged or doubtful attendance entries (read-only).
26	Attendance Override Requests	Optionally view status of overrides affecting the student (approval/rejection).
27	CCTV Live View (admin)	No access.
28	Kiosk List	No access.
29	Kiosk Settings	No access.
30	Attendance Policy	View institution attendance rules (late, half-day, minimum presence).
31	Holiday / No-Class Setup	View holidays and no-class days as part of calendar.
32	Attendance Alert Settings	Optionally choose channels/frequency for personal attendance alerts where allowed.
33	Attendance Notification Log	View history of attendance alerts they have received.
34	My Timetable (Student)	Student views their own timetable (periods, subjects, rooms).
35	My Timetable (Teacher)	No access (teacher-only).
36	Class Timetable View	Student views timetable for their class/section (same as My Timetable view).
37	Timetable Generator	No access.

38	Timetable Conflict Resolver	No access.
39	Timetable Change History	Optionally view change logs relevant to their timetable (e.g., “period moved”).
40	Institution Calendar	View institution calendar (events, exams, holidays).
41	My Calendar	View personal calendar combining timetable, exams, homework, events.
42	Event Details	View details of events (time, venue, description).
43	Event Management	No access except RSVP/interest if you add such options.
44	Fee Plan Setup	No access.
45	Invoice List	No direct access; they see dues via dedicated screens below.
46	Fee Waiver / Scholarship	View applied waivers/scholarships (read-only) if shown.
47	Fee Due List	View their own fee dues summary.
48	Fee Payment Home	View outstanding fees and navigate to payment methods.
49	Payment Methods	Choose payment method (UPI, card, net-banking, etc.) to pay.
50	Payment Confirmation	View confirmation after payment with transaction details.
51	Receipt Download	Download or view receipts for

completed payments.

52	Transaction History (Student/Parent)	View their own payment history and statuses.
53	Online Transactions List (Admin)	No access.
54	Manual Payment Entry	No access.
55	Failed Transactions & Retry	See if a transaction failed and be guided to retry where possible.
56	Refund Management	View refund status for their own payments.
57	My Courses	View list of courses/student is enrolled in for LMS.
58	Course Detail	View course details (syllabus, teacher, schedule).
59	Lessons & Topics	Access lesson/topic list for each course.
60	Resources / Handouts	Access/download study materials, handouts, and resources.
61	Assignment List (Student)	View all assignments, due dates, and status for the student.
62	Assignment List (Teacher)	No access.
63	Assignment Detail	View details of a specific assignment (instructions, rubric).
64	Submit Assignment	Upload/submit assignment files or responses before due date.

65	Grade & Feedback (Teacher)	View grades and feedback given by teachers on assignments.
66	Homework List	View homework list per day/subject; parents see ward’s homework.
67	AI Homework Helper	Student chats with AI for hints and explanations (no direct copy answers).
68	AI Explanation View	View AI explanations to understand concepts better.
69	Homework Progress	View completion progress of homework (student/parent view).
70	Ask Assistant (Chatbot)	Ask queries about homework, attendance, exams, campus info, or guidance.
71	Chat History	View past interactions with the academic chatbot.
72	Escalate to Human Support	Escalate an issue to human support (academic/admin helpdesk).
73	Exam Calendar	View upcoming exam dates.
74	Exam Timetable	View detailed exam timetable (subject, date, time, room).
75	Exam Setup	No access.
76	Hall Ticket (optional)	View/download student’s hall ticket if institution enables it.
77	Marks Entry	No access.

78	Result Verification (HOD)	No access.
79	Publish Results	No access.
80	Student Result Card	View/download result cards, term/annual report cards.
81	Practice Tests List	View list of available practice tests.
82	Start AI Test	Start practice/AI tests assigned to the student.
83	Test Result & Analysis	View score, question-wise analysis, strengths/weaknesses.
84	Teacher Test Request	No access.
85	Student Analytics (self view)	View student's performance trends and insights (attendance, marks, tests).
86	Class Analytics	No access (teacher/admin only).
87	Department Analytics	No access.
88	Institution Analytics	No access.
89	At-Risk Students List	Student/parent may see if the student is flagged at-risk with guidance tips (if you expose this).
90	Feed (Noticeboard Timeline)	Scroll feed of notices, posts, and updates from institution, classes, clubs.
91	Announcements List	View official announcements list (general, exam, events, opportunities).

92	Notice Details	Open full notice details including attachments/links.
